ADMISSIONS POLICY

For admission in 2019-20

Age range for school: 11 - 18

Expected number on roll in September 2019: 1350

The School's admission arrangements (i.e Policy and Supplementary Information Form) were determined on:

Next Review: Autumn 2018

Admissions Policy for admission in 2019 – 2020

St John the Baptist School was founded by the Catholic Church to provide education for children of Catholic families. The school is conducted by its governing body as part of the Catholic Church in accordance with the trust deed of the Diocese of Arundel & Brighton, its articles of association, and seeks at all times to be a witness to Jesus Christ.

As a Catholic school, the governors aim to provide a Catholic education for all pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. The governors ask all parents applying for a place to respect this ethos and its importance to the school community.

Although Catholic children have priority of admission, this does not affect the right of an applicant who is not Catholic to apply for a place for their child at the school. The school welcomes applications from those of other denominations and faiths, or of none. The school was set up primarily to serve the Catholic community in the deanery of Woking. This includes the following parishes: Woking, West Byfleet, Knaphill, Frimley, Camberley and Bagshot.

The deanery primary schools located in that community which are named feeder schools for St John the Baptist School are:

St Dunstan's Catholic Primary School	Woking
St Augustine's Catholic Primary School	Frimley
St Hugh of Lincoln Catholic Primary School	Knaphill
The Marist Catholic Primary School	West Byfleet

Zoomable maps of the parishes/deanery can be viewed at: www.abdiocese.org.uk/Parishes

The governing body is the admissions authority and has responsibility for admissions to this school, including setting the priority of admissions when the school is oversubscribed. The Local Authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number at 240 pupils to be admitted to Year 7 in the school year which begins in September 2019.

Visiting the School

Parents/carers are encouraged to visit our school in order to find out more about how we work and the education we offer. Parents/carers are welcome to arrange a visit by contacting Mrs Claire Antal on 01483 729343 Ext 123. However, such visits do not form part of the process of deciding which children are to be offered a place at the school.

An open evening is held at the end of September or early October when interested families may look round the school and meet the Headteacher and staff. The School Prospectus and Supplementary Information Form for admission are available at any time from the school website.

A New Parents' evening is held in July for all new students and their parents.

Students with an Education Health and Care Plan (see note a.)

The admission of students with an Education, Health and Care Plan (EHCP) is dealt with by a completely separate procedure. Children with an EHCP that names the school must be admitted. Where this takes place before the allocation of places under these arrangements, this will reduce the number of places available to other children.

Oversubscription Criteria:

At any time where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

1. Looked after children or previously looked after children (*see note b.*).
2. Catholic children with an exceptional or compelling need, supported by written evidence (*see note c. and k.*).
3. Catholic children with a brother or sister at St John the Baptist School at the time of admission (*see note f.*) attending one of the named deanery feeder schools (*see note l.*)
*The application must be supported with a certificate of Catholic baptism or reception into the Catholic Church (see note c.) and, on the Supplementary Information Form, their parish priest's signature with the parish stamp or seal ***.*
4. Catholic children attending one of the named deanery feeder schools (*see note l.*)
*The application must be supported with a certificate of Catholic baptism or reception into the Catholic Church (see note c.) and, on the Supplementary Information Form, their parish priest's signature with the parish stamp or seal ***.*
5. Catholic children with a brother or sister at St John the Baptist School at the time of admission (*see note f.*) who do not attend one of the named deanery feeder schools (*see note l.*)
*The application must be supported with a certificate of Catholic baptism or reception into the Catholic Church (see note c.) and, on the Supplementary Information Form, their parish priest's signature with the parish stamp or seal ***.*
6. Catholic children who do not attend one of the named deanery feeder schools (*see note h.*) but are resident in the Woking Deanery (*see note h.*)
*The application must be supported with a certificate of Catholic baptism or reception into the Catholic Church (see note c.) and, on the Supplementary Information Form, their parish priest's signature with the parish stamp or seal ***.*
7. Catholic children who do not attend one of the named deanery feeder schools (*see note l.*) and are not resident in the Woking Deanery (*see note h.*)
*The application must be supported with a certificate of Catholic baptism or reception into the Catholic Church (see note c.) and, on the Supplementary Information Form, their parish priest's signature with the parish stamp or seal ***.*
8. Other Catholic children who are resident in the Woking Deanery (*see note h.*)
9. Other Catholic children who are not resident in the Woking Deanery (*see note h.*)
10. Other children with an exceptional or compelling need, supported by written evidence (*see note k.*).
11. Catechumens, Candidates for Reception into the Church and children who are members of an Orthodox Church (*see note d. & e.*)
If application is being made for a place at the school where the parent/carer is a Catechumen or Candidate for reception into the Church, evidence of their being a member of the Catechumenate of a Catholic Church or a Candidate for reception will be required. Proof of acceptance into the catechumenate, and evidence for a candidate, should be by letter from the appropriate priest.
Applications for children from an Orthodox Church must be supported with a certificate of baptism and a letter confirming membership of the applicable Orthodox Church, signed by the appropriate priest.
12. Other children with a brother or sister at St John the Baptist School at the time of admission (*see note f.*).
13. Other children currently attending one of the named deanery feeder schools (*see note l.*).
14. Any other children.

*** The priest concerned would be the priest of the church where the parent/carer normally worships or, if they do not practise their faith by attending Mass, the parish priest in the parish in which they are resident.

Final Tiebreaker:

Priority will be given to children living closest to the school determined by the shortest distance (*see note j.*).

Application Procedure

To apply for a place at this school in the normal admissions round, you should complete and return the following two forms:

1. The **COMMON APPLICATION FORM (CAF)**
All applications for places **must** be made on the Common Application Form which is available either from the Local Authority (where the parent lives) or through that Local Authority's website. For a valid application, the completed CAF **must** be returned either online or in the paper form by **31 October 2018**.
2. The school's **SUPPLEMENTARY INFORMATION FORM (SIF)**
This is available from the school and the school website and allows the governors to put all applicants in order of priority for admission in line with the published admission policy.

If you are expressing a preference for a place for your child at this school and wish to apply in connection with one of the faith criteria, you need to complete the SIF.

If you do not complete the SIF and return it to the school with all supporting documents by the closing date, your child may not be placed in the appropriate faith criterion. This is likely to affect your child's chance of being offered a place.

For a Year 7 admission in the normal admissions round for the year 2019-2020, the completed SIF, together with all supporting documents, should be returned to the school by **31 October 2018**. Note: If the school receives an incomplete SIF, this might affect your child's chance of being offered a place.

You are advised to keep copies of the forms for your records (whether completed online/on paper).

Late Applications

All pieces of paperwork are required on or before the published closing dates referenced above. You are encouraged to ensure that your application is received on time. Failure to submit the Local Authority CAF by the closing date will result in the application being classed as '**late**'. Such applications will be dealt with once the applicants who met the deadline have been offered places on 1 March 2019. After 1 March 2019 late applications will be placed in order in accordance with our Admissions Policy. Applications after 1 March 2019 will be dealt with immediately and, where places are not available, will be added to the waiting list in accordance with our waiting list policy. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

Admission of Children Outside their Normal Age Group

Please note that it is the view of the Government, the Diocese, the LA and the Governing Body of this school that a child is educated alongside his/her age equivalent peers, in almost all cases.

Should a parent/carer request to have a decelerated entry to school, that is to start later than other children in their chronological age group, they should initially apply for a school place in accordance with the deadlines that apply for their child's chronological age.

If the request is accepted, the application for the normal year group may be withdrawn before a place is offered. The parent/carer will be required to apply in the usual way the following year, along with the cohort of applicants for that year group. It should be noted that the application will not receive priority over or above any other applicant for this year group and the application will be considered alongside all other applicants to the school.

If a parent/carer requests to have an accelerated entry to school ie to start earlier than other children in the chronological age group, they should initially apply for a school place at the same time that other families are applying for that cohort. If the governing body agrees for the child to have an accelerated entry, the application will be processed. If it is not agreed for the child to have an accelerated entry they will be invited to apply again in the following year for the correct cohort.

In relation to the request, decisions are made on the basis of the circumstances of each case and in the best interests of the child. The governing body will expect the parent/carer to supply them with appropriate information and evidence. What the governing body will take into account will include:

- Views of parent/carer
- Information relating to the child's academic, social and emotional development, where relevant
- Medical history and the views of a medical professional
- Any previous history of being educated outside of their normal age group
- If the child may naturally have fallen into a lower age group if it were not for being born prematurely
- View of the headteacher of the school.

Please note that parents/carers do not have the right to insist that their child is admitted to a particular age group. It is the governing body who, having considered the circumstances of each individual case, will make a decision. The governing body will set out clearly for the parents/carers concerned the reasons for their decision in each case.

If the parent/carer is unhappy with a decision about which year group their child will be admitted to, the following applies. Parents/carers who are refused a place at a school for which they have applied have the right of appeal to an independent admission appeal panel. However, there is not a right of appeal if the child has been offered a place and it is not in the year group the parent/carer would like. In such cases, the parent/carer could make a complaint through the school's complaint procedure.

Waiting Lists

In addition to their right of appeal, if a place is not offered to a Year 7 child, because of over-subscription, the child's name will NOT automatically be placed on a waiting list. Parents should, therefore, contact the school and ask for their child's name to be put on a waiting list. The list will be in the descending hierarchical order of the categories in the admissions criteria. The list will continue for the year group until the end of the academic year. If a place is offered and declined the child's name will be removed from the waiting list.

The names of the children in the other year groups (8-11) who have not been offered a place due to oversubscription will be put on a waiting list. The list will be in the descending hierarchical order of the categories in the admissions criteria. The list will continue for the year group until the end of the academic year.

Parents/carers who wish their child's name to remain on a waiting list beyond this time are requested to contact the school in writing **by the end of July 2020**. If a place is offered and declined the child's name will be removed from the waiting list.

It should be noted that no matter how long a child's name has been on the waiting list, his or her position on the list may change if the school adds a child's name to the list, which has a higher priority according to the oversubscription criteria. The school is also under a duty to admit children who are presented for admission under the Local Authority's 'Fair Access Protocol'. These children must take precedence over any children already on the waiting list.

In Year Admissions

The oversubscription criteria in this admission policy will also apply to applications made outside the normal age of entry to secondary education (Year 7) i.e. in succeeding years or during the academic year.

Applications for places other than at the start of Year 7 should be made directly to the school and the Local Authority contacted. The school's Supplementary Information Form should be completed and returned to the school. If there is a vacancy in the relevant year group and no other family has applied for it, the school will allocate a place as soon as possible. If there is no vacancy, or if the number of applications is greater than the number of vacancies, the governors will at once establish a waiting list for the relevant Year Group, or add the applicant's name to an already established waiting list. Places will be offered to applicants whose names appear on the waiting list strictly on the basis of the oversubscription criteria.

Offer of a Place

The Local Authority will inform you of your allocated place on the national offer date of 1 March 2019. Note: If this day falls on the weekend/bank holiday, it will be the first working day after.

Appeals

If your child is not offered a place at St John the Baptist School, Woking you have the right to appeal against that decision to an Independent Appeal Panel (set up in accordance with sections 88 and 94 of the School Standards and Framework Act 1998). Appeals must be made in writing and must set out the reasons on which the appeal is made. Appeals should be made to the Admissions Appeal Clerk at the school address. Appeals should be lodged no later than 20 school days after the National Offer Day for secondary schools (1 March 2019). Completed paperwork must be received by the school no later than 29 March 2019, and will be heard within 40 school days. The appeals system is operated independently from the school. Parents/carers have the right to make oral representations to the Appeal Panel.

Late application appeals will be heard within 30 school days of the appeal being lodged.

In-year applications will be heard within 30 school days of the appeal being lodged.

Fair Access Protocol (FAP)

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round, the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. Alternatively, where a FAP headteacher panel is in place, the governing body may authorise the headteacher (or nominated representative) to partake in placement decisions under the LA agreed FAP. The governing body has this power even where admitting the child would mean exceeding the published admission number.

Giving the school false information

If a parent/carer is found to have supplied false or incorrect information to gain a place at this school, the governing body reserves the right to withdraw any offer of a place even if the child has already started school. An example of false or incorrect information would be the use of an address that is not the child's normal residence.

Notes (these form part of the admission arrangements):

- a. An **'Education, Health and Care Plan'** is a plan made by the Local Authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
- b. A **'Looked after child'** has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (i) in the care of a local authority or (ii) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school. A **'Previously looked after child'** is a child who was looked after but ceased to be so because he or she was adopted or became subject to a child arrangement order or special guardianship order.
- c. **'Catholic'** means a member of a Church in full communion with the See of Rome. This includes the Latin Rite (Roman Catholics) and the Eastern Catholic Churches (see Appendix 3 of the Diocesan Admissions Guidance for a list of Churches in full communion with the See of Rome). This will normally be evidenced by a certificate of Baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received into the Church if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. In terms of an application to this school, a child will not be treated as Catholic if the date for baptism or the ceremony of acceptance into the Catholic Church is after the closing date for applications. Those who have difficulty obtaining written evidence of baptism should contact their parish priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

For oversubscription criteria 3, 4, 5, 6 and 7, there is a requirement to obtain the priest's signature and the parish stamp or seal on the Supplementary Information Form. The priest concerned would be the priest of the church where the parent/carer or child normally worships or, if they do not practise their faith by attending Mass, the parish priest in the parish in which they are resident.

- d. **'Catechumen'** means a person who wishes to be baptised and has been accepted into the Order of Catechumens through the appropriate liturgical rite. **'Candidate'** means a baptised member of a non-Catholic denomination who is preparing for admission into full communion with the Catholic Church. Proof of acceptance into the catechumenate, and evidence for a candidate should be by a letter from the appropriate priest.
- e. **"Orthodox Churches"** are those eastern Churches not in full communion with the Catholic Church, who have retained the Catholic tradition regarding the sacraments. In this group are included (for the purpose of admissions) members of other Churches which the Apostolic See judges to be in the same position as the aforesaid eastern Churches as far as the sacraments are concerned. Membership is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
- f. **'Brother or sister'**: For admission to this school, a brother or sister is defined as a natural brother or sister (i.e. another child of the same parents, whether living at the same address or not), or a half-brother/ half-sister or a step-brother/ step-sister or an adoptive or foster brother/ sister, living at the same address. A child will be given a 'brother or sister' priority if they have a brother or sister at the school at the time of the child's admission.
- g. **Parents/Carers**: A parent/carer means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
- h. **Deanery boundaries**: For the purposes of the admission arrangements for the year 2019-20, the deanery boundaries are the external boundaries of each parish as shown on the attached map. A zoomable map is available at: www.abdiocese.org.uk/Parishes
- i. **Multiple Births**: In the event of applications from parents/carers relating to children of multiple births (e.g. twins or triplets etc.), the governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's published admission number.
- j. **Distance**: Distance will be measured in a straight line from the child's home address to the nearest gate for pupils to use at the school using the Local Authority's computerised measuring system.

A child's home address is considered to be a residential property that is the child's only/main residence and not an address that is sometimes used due to certain domestic/special arrangements. The address must be the pupil's home address that applies at the closing date for applications and which is either owned by the child's parent, parents, or guardian OR leased or rented by the child's parent, parents or guardian under a lease or written rental agreement. If parents live separately but share responsibility for the child, and the child lives at two different addresses during the week, the 'home address' will be regarded as the one at which the child sleeps for the majority of weekday nights. If two addresses are provided, the Local Authority will decide which address should be used as the main residence for the purpose of processing the application as they only accept one current address. Parents/carers must notify the school about any address changes during the application deadlines to ensure all applications are treated in the same way.

In some cases, applicants who live in the same block of flats may share the same address point. In such cases, applicants will be considered to be living equidistant from the school. In the unlikely event that any two or more children live equidistant from the school, and in all other ways have equal eligibility for a place, the names will be issued a number and drawn randomly to decide which child receives priority. This will be supervised by a person independent of the school.

- k. **Exceptional and Compelling Need**: Governors will take into account children with exceptional and compelling needs in the applicable oversubscription criteria. However, parents should bear in mind that any school is able to cope with special educational needs such as Asperger Syndrome, Dyslexia etc., and in managing common childhood complaints such as asthma and allergies. Parents wishing to have exceptional and compelling needs considered with their application must submit independent professional evidence which explains clearly why it is essential for the child to attend St John the Baptist School. This evidence should be submitted with the Supplementary Information Form and posted to the school by Recorded Delivery Mail (or handed into the school office and a receipt received) by 31 October 2018.

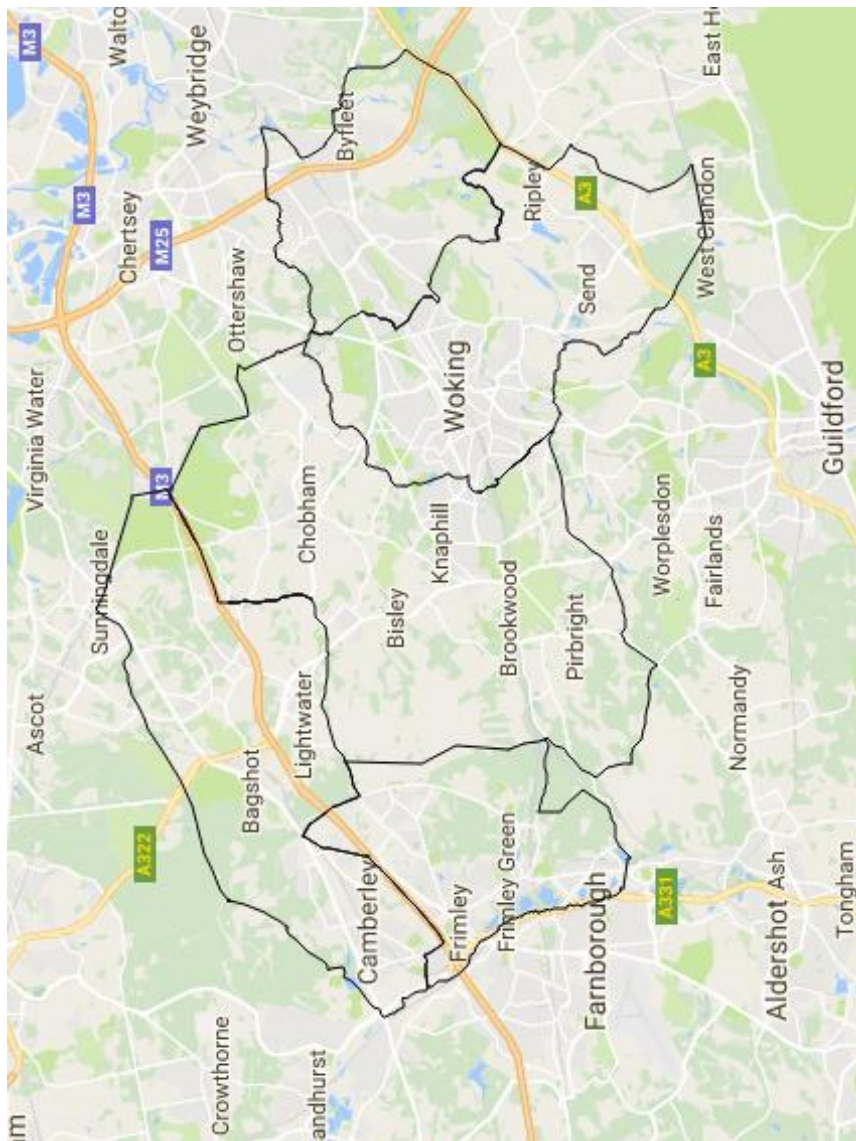

The supporting evidence from the qualified professional (such as a medical consultant or a psychologist or a priest) must detail fully the child's needs and address the reason why these needs can only be met at St John the Baptist School. Letters from parents alone are not sufficient nor are letters that do not address the question of which school the child must attend.

The school will not contact third parties to obtain information relating to an application. It is the parent/carer's responsibility to send any evidence relating to their child to support their application. The application will not be considered if the supporting evidence is not provided, which must be received by the deadline of 31 October 2018.

Please note that provision of evidence does not guarantee that a child will be given priority for admission at this school. Governors will consider and make a decision on the merits of each case.

- l. **St John the Baptist named deanery Feeder schools**: For the purposes of admissions to St John the Baptist School, the named deanery feeder Schools are: St Dunstan's Catholic Primary School, Woking; St Augustine's Catholic Primary School, Frimley; St Hugh of Lincoln Catholic Primary School, Knaphill; The Marist Catholic Primary School, West Byfleet.
